I've Got **Courage** Tournament!

Clinic & Seminar

Events:

SPARRING

This is not your average, run-of-the-mill martial arts tournament. It's a tournament, a clinic, and a workshop.

The **I've Got Courage Tournament** is not like normal tournaments. In a normal tournament you pay a fee, enter your division, and it's all over in a matter of minutes. The judges rarely give contestants coaching on what they did right or wrong.

In the **I've Got Courage Tournament**, the contestants won't just compete. They will receive one hour clinic and workshop, helping them improve their sparring skills. Then an hour of sparring matches. **Everyone wins!!!**

Having courage takes practice! Come to our **Courage Tournament** and not only will you test your **bravery and skills**, but you'll have lots of fun too! Awards for all participants!
